**PRINCIPAL
MRS STEPH GUTHRIE**

Dear Parents and Carers,

We have welcomed some inspectors and other LAT Principals this week in to Tree Tops. Thank you if you took the time to speak to them on the playground.

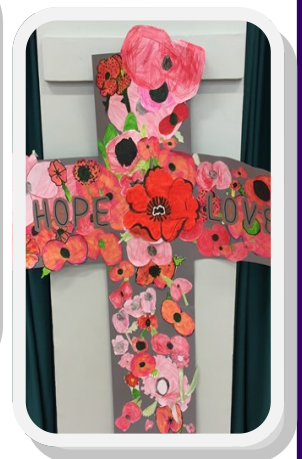

The children did themselves proud and the whole team of visitors commented on their enthusiasm for school and their polite behaviour.

We have lots of positive feedback, and there are some clear areas to develop. These are in line with what we had already identified:

- To improve outcomes for our Year 6 pupils
- To use assessment to know what the children need to learn next and how to match lessons to this need.
- To ensure we show good progress in the next Ofsted.

Everyone in school is working very hard to quickly address these points.

Look at the beautiful art that the children created to reflect on Remembrance!

FRIDAY, 18TH NOVEMBER

This week it is the national Children in Need event. We have a weekend story competition. Write or make up a story to tell. There will be a prize in school on Monday for the best stories!

Don't forget the **FREE** taster menu event in the Tree Tops hall at 2.15 pm for Year 3 to Year 6.

Come and find out how to help your child with reading and spelling too. Your child can join you if you come along.

We have a fantastic new internet programme to show you that the children can use at home as well as in school. So do come along and find out more.

If you have a child who will be starting school in September, please do come and book a tour with me (Steph Guthrie). I would love to show you around and tell you about the exciting things going on at Tree Tops.

Kindest regards,
Steph Guthrie
Principal
