

Magical Home Learning Task

For term 3, your magical home learning task will be to design and make something linked to our 'Treasure' topic. Again, there will be a certificate for everyone that completes their homework task.

You might like to:

Make a map and write ways to find the pirate treasure.

Make a treasure chest with a picture of the special things that you would put in your treasure chest.

Find a hoard of treasure e.g. beads, necklaces etc. Can you weigh it using scales? Which is the heaviest/lightest?

Write your own message in a bottle for your friends to read.

Please return your home learning project to school in Week 6 (week beginning 6th February). We can't wait to see them and display them in the classroom. Thank you.
