Ofsted Report May 19th 2017

Dear Parents and Carers,

I am pleased to inform you that our Ofsted Report has been published today. We are **really pleased** with the report, which highlights **lots of positives and progress** made since the last inspection in 2015. Leadership and management and Personal Development, Behaviour and Welfare were all judged as **good**.

Ofsted identified these key strengths at Tree Tops:

- ✓ Leaders, governors and the trust have a strong understanding of the school's effectiveness. Their recent actions are ensuring that the school is improving quickly.
- ✓ Pupils' personal development, behaviour and welfare are good. Pupils behave well and have good manners. They demonstrate a strong understanding of tolerance and respect.
- ✓ Good teaching in Year 5 and Year 6 ensures that most pupils catch up and make expected progress in a range of subjects by the end of key stage 2.
- ✓ The curriculum provides good opportunities for pupils to learn across a range of subjects. British values are promoted effectively.
- ✓ Safeguarding is effective. Systems to keep pupils safe are robust.
- ✓ Pupils who have special educational needs and/or disabilities are supported well and make good progress.
- ✓ The pupil premium funding and sports premium funding are used to good effect.

We were also so delighted to be recognised for:

- ❖ "Robust and effective safeguarding arrangements."
- ❖ "Effective teaching across the wider curriculum providing rich opportunities for pupils."
- ❖ "Leadership has taken particular care to ensure that it provides pupils with quality life experiences."

Please do go to our Academy website www.treetopsprimaryacademy.org.uk for the full report. You may also have your own copy, which can be obtained through the school office.

Huge thanks to the whole staff team at Tree tops and of course your wonderful children for their collective hard work. We are determined to keep improving the Academy for everyone, every day.

Yours faithfully, Steph Guthrie PRINCIPAL
