

Magical Home Learning Task

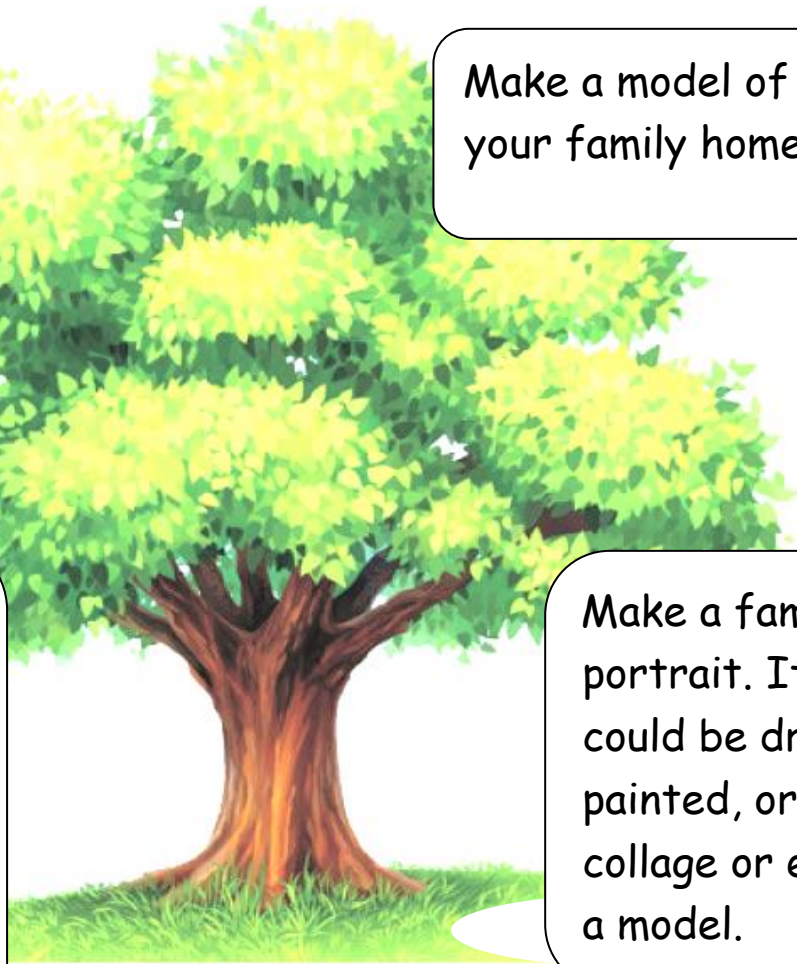

For term 2, your magical home learning task will be to design and make something linked to our 'Family and Friends' topic. Again, there will be a small prize and a certificate for everyone that completes their homework task. You might like to:

Design and make a family tree. You could draw it, use photographs or make a tree model.

Make a model of your family home.

Make a family memory box or book. Share a special day or share things you love about your friends or family.

Make a family portrait. It could be drawn, painted, or a collage or even a model.

Please return your home learning project to school in Week 6 (week beginning 12th December). We can't wait to see them and display them in the classroom. Thank you.
