Term 6 - We Are What We Eat & Green Fingers

Our topic for Term 6 is We Are What We Eat and Green Fingers. This topic is all about growing and eating healthily. Have a look at the curriculum grid to find out how we will be exploring this topic. We have lots of exciting things planned!

SATs

The children have worked really hard and completed their SATs. We are very proud of them.

Year Three Readiness

In Term 6, we will be focussing on independent skills to get the children ready for KS2 and Year 3. They will be having jobs to do and we will again raise our expectations to ensure that the children are role models for the school.

Miss Cantrell

As I'm sure you are aware, Miss Cantrell is leaving us this term. She has been an invaluable member of the team and although we will miss her so much, we wish her every success in her new role. I'm sure she will keep in touch!

PE KITS

Please make sure your child has a PE kit in school everyday. We will be doing outdoor PE this term.

NAMED CLOTHING

Please ensure that all clothing is named so that we can get it back to you when it goes missing!

ASK US

We are here to help so please let us know if there is anything we can do or if you have any concerns.

Reading

Reading is so important and the children have developed a real love for reading. It's lovely when the children come in and share that they have read at home.

Class Dojo

Remember that you can contact us through Class Dojo if you need to. The children are always so excited to share their learning with you.

Have a brilliant holiday and we will see you in Term 6!
