

Magical Home Learning Task

For term 4, your magical home learning task will be to design and make something linked to our 'Changes' topic. Again, there will be a certificate for everyone that completes their homework task.

You might like to:

Find a photograph of you now and when you were a baby. How have you changed?

Visit a farm. What animals did you see? Were there any new born animals?

Make a matching game. Match the baby animal to the adult. What are the baby animals called?

What happens to chocolate when it gets warm? Or water as it gets cold? Be a scientist and explore the changes.

Please bring your work into school by the week beginning 27th March. We can't wait to see all your wonderful creations.
