

Magical Mapping Project

<p>This term, your homework is all about maps! You will need to think about how things look from above and maybe use symbols and a key to help others understand them. Please complete all of these activities in your brain builder book, using one double page for each task. If you get stuck, do come and ask! Do have fun!</p>		<u>Amount of help given</u>	<u>Level of enjoyment</u>
<p>Task 1 (w/b 10th Sept)</p> 	<p><u>Aerial viewpoint</u></p> <p>How do things look from above? Choose some objects in your house and draw them as if you were a bird flying over them. What would you see? Can your family guess what they are?</p>	/5	/5
<p>Task 2 (w/b 17th Sept)</p> 	<p><u>A plan of your bedroom</u></p> <p>Draw a plan of your bedroom. Don't forget to include things which are tricky to draw from above - like windows! Try using a key to explain what things are.</p>	/5	/5
<p>Task 3 (w/b 24th Sept)</p> 	<p><u>A compass rose</u></p> <p>Draw and decorate a compass rose. You could make one out of junk which moves. Can you think of a rhyme to help you remember the compass points? (like Never Eat Shredded Wheat).</p>	/5	/5
<p>Task 4 (w/b 1st Oct)</p> 	<p><u>Draw a route</u></p> <p>Make a map of a route you do regularly. It could be your trip from your home to see a grandparent or to the supermarket or school. Include landmarks along the way.</p>	/5	/5
<p>Task 5 (w/b 8th Oct)</p> 	<p><u>Draw a map of Barefoot Island</u></p> <p>Draw round your foot to make a shape. Turn it into an imaginary island. Use squared paper (We will give you this). Can you locate the places using a simple grid reference (eg 'The pond is at A5).</p>	/5	/5
<p>Task 6 (w/b 15th Oct)</p> 	<p><u>Complete your project</u></p> <p>Finish off your project and bring it in to school so that we can all admire your mapping skills! There will be prizes all completed projects!</p>
