

Year 2

Term 1

Dear Parents and Carers,

Welcome to Year 2. Your Year 2 teachers this year are; Mrs Kay, supported by Mrs Norman, and Miss Russell, supported by Miss Powell.

Our topic this term is 'Only One Me'. We will be focusing on our wellbeing throughout the topic; in Science we are learning about healthy living and different emotions will be explored in English. We will also be developing our map making skills before starting our own project in design and technology.

PE

For PE this term, we are extremely lucky to have Premier Sports Coaches on Wednesday afternoons. Class teachers will be taking a PE session on Fridays. Children will need to have their PE kits in school at all times. If your child does not have a kit they will not be able to join in PE – they will be able to watch. Also earrings need to be out on both of these days.

Reading, Spelling and Maths

Please hear your child read every day. It makes a massive difference to their progress in reading. Please sign the contact book, even if you don't wish to comment, as all feedback supports your child's learning. **Also, spellings will come home on a Tuesday.** Please ask your children to practise their word lists at home in preparation for their test on the following Monday morning. To support Maths, you will have a 100 square which can stay with the reading book each day. It is there to support the number recognition. Please support your child by talking about the numbers going forwards and backwards. Thank you.

Homework

Our brain builders this term will come home on a Tuesday. Please make sure it is completed to a high standard by the following Monday. All of the homework this term directly links to our topic learning this term.

Finally, do remember to contact us if you have any questions about how you can support your child or if you have any concerns about your child's learning.

Best wishes,

Mrs Kay and Mrs Norman (Dove class)

Miss Russell and Miss Powell (Jay class)
