

# To infinity and beyond!!

<p>This term your homework is all about Space and Aliens!</p> <p>Please use your home learning book to record any written tasks and be as imaginative and creative as you like when completing your project.</p> <p>Remember you can complete the homework in whatever order you like.</p> <p>If you get stuck please come and ask.</p> <p>Have fun!!</p>		<u>Amount of help given</u>	<u>Level of enjoyment</u>
<p>Task 1</p> 	<p><u>Off to Space</u></p> <p>Design and make your own transport to get you in to space. You can create your amazing craft using any materials you like i.e. cereal boxes, cartons, tin foil etc.</p>		
<p>Task 2</p> 	<p><u>Label your craft</u></p> <p>Write labels and sentences to describe your spacecraft i.e. How is it powered? What is it made of? How many people does it carry? Does it have any special gadgets?</p>		
<p>Task 3</p> 	<p><u>Pants perfect</u></p> <p>We all know 'Aliens love underpants' Design a pair of underpants using a repeating pattern that you think the aliens would love to steal from your washing line.</p>		
<p>Task 4</p> 	<p><u>What's in Space</u></p> <p>Make a fact book using photos, pictures and interesting information that you have found out about Space. You could use books or the internet to help you find exciting facts.</p>		
<p>Task 5</p> 	<p><u>Alien Algorithm (instructions)</u></p> <p>Imagine an alien has landed at school and you want them to come to your house. Write instructions for them to find</p>
