

Aquarium Project

This term, your homework is all about designing and making your own aquarium! You will need to think about what you may keep in an aquarium and then design the home for it.

If you get stuck, do come and ask! Do have fun!

Amount of help given

Level of enjoyment

Task 1 (w/b 7 th Jan)	<p style="text-align: center;"><u>What lives in our oceans?</u></p> <p>Can you do some research to find out what lives in our four oceans which cover the earth? Do the different oceans have different types of sea creatures?</p>	/5	/5
Task 2 (w/b 14 th Jan)	<p style="text-align: center;"><u>Can you create a sea creature?</u></p> <p>Choose two of the sea creatures you found out about last week and draw or make a 3D version of it. They will be swimming in your own aquarium later.</p>	/5	/5
Task 3 (w/b 21 st Jan)	<p style="text-align: center;"><u>Plan your own aquarium</u></p> <p>Plan your own aquarium which you would like to make at home. Think about how you will include the sea creatures you made last week.</p>	/5	/5
Task 4 (w/b 28 th Jan)	<p style="text-align: center;"><u>Build your own aquarium</u></p> <p>Make your aquarium using a box (about the size of a cereal box), remembering to make room for the sea creatures you have already made.</p>	/5	/5
Task 5 (w/b 4 th Feb)	<p style="text-align: center;"><u>Make it look amazing!</u></p> <p>Decorate your aquarium, thinking about the different things you saw in the tanks on our visit to Hastings.</p>	/5	/5
Task 6 (w/b 11 th Feb) 	<p style="text-align: center;"><u>Complete your project</u></p> <p>Finish off your project and bring it in to school so that we can all admire your creations build up over the previous five weeks!</p> <p>There will be prizes for all completed projects!</p>
