

Dove and Jay Class

Theme Builder – Term 5

What is beyond the sky?

This term we are learning about all the different things you may see beyond the skies above us. We will find out who has travelled into space and which planets have been explored.

We would like your child to discover more about this exciting place at home with you.

Task 1 Week beginning: 23 rd April	Day and night? What can you find out about how life is different around the world when it is lunchtime in England?
Task 2 Week beginning: 29 th April	Who has been into space? Research as many astronauts as you can and the different countries they come from.
Task 3 Week beginning: 7 th May	Which is your favourite planet in our solar system? Find out as much as you can and draw a picture of your chosen planet.
Task 4 Week beginning: 13 th May	Design and your own planet. What would live there? What would it look like? Why would people want to visit your planet?
Task 5 Week beginning: 20 th May	Make a model of your planet. Use as many different materials as you wish to show off your exciting creation.
Task 6 Week beginning: 3 rd June	Complete your project over half term and bring it in to share with the class.
