

Magical Home Learning Task

For term 5, your magical home learning task will be to design and make something linked to our 'growing' topic. There will be a certificate for everyone that completes their homework task.

You might like to:

Plant a seed or a bulb.
How will you look after
it?

Design a garden. What
will you put in your
garden?

Take photos or
draw or paint a
picture of
flowers and
plants that you
can see
growing in our
environment.

Go on a mini beast hunt in your
garden or at the park. What did
you find?

Please bring your work into school by the week beginning
20th May. We can't wait to see all your wonderful creations.
