

Theme Builder

For term 3, your home learning task will be to design and make something linked to our 'Aliens in Space' theme. There will be a certificate for everyone that completes their homework task.

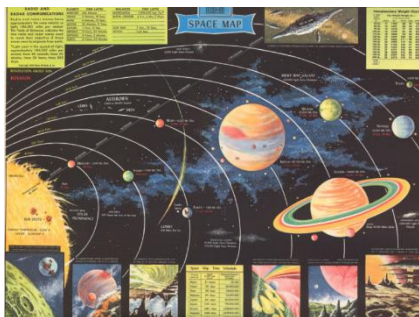

You might like to:

Make a rocket. Can you write instructions to tell someone how you made it?

Design an outfit that you would wear to go to space.

Draw a map of your route. What planets would you visit?

You can only take 3 things with you to space. What would you take?

Please bring your work into school by the week beginning 3rd February. We can't wait to see all your wonderful creations.
