

Hello Fledgling Class,
Here are a few activities to get busy with this week. Have lots of fun!
Mrs Dodge

Maths - Numbers- Sock maths!

Look in your drawer and find some socks.

How many socks have you got? Put them in a line and point to each one as you count them.

Muddle them up - can you match up all the pairs?

Use the words same and different as you sort them.

Literacy - Phonics - Join in with the Jolly Phonic Songs. Try and do the actions too!

Literacy - Writing - Drawing circles

We are good at this - draw lots of circles. Can you make them into smiley faces?

Maybe you could hide some smiley faces around your house.

Smiley faces make us happy!

Let's get moving - Put on some music - sing and dance!

Here are some of our favourites.

The Pirate Song
