

Hello Fledgling Class,
Here are some more activities. Have lots of fun! I miss you all!
Mrs Dodge

Maths - Number - Counting - Numeral recognition

Look at the pictures. They show groups of objects and the number they represent – 1 snail, 2 wellies, 3 leaves, 4 squares, 5 wooden blocks.

Look around your house for groups of things. Count them carefully. Match them to a number.

You could take a photo if you like to show us when we are back at school.

Literacy - Phonics - Listening games

Play this listening game. Being a good listener makes us good at telling the difference when we hear different letter sounds.

https://www.youtube.com/watch?v=hOKp_J9kvNM

Listen inside your house. What can you hear? Can you hear a really quiet sound? Can you hear a really loud sound?

Literacy - Communication

Mrs Austin is looking after Rocket. He is very happy but he misses you all.

Tell someone in your family all about Rocket.

What does he look like? What does he feel like?

How many legs has he got? How does he hear?

What does he need to stay healthy?

Can you draw a picture of Rocket? What letter sound does his name start with?

Hello Fledgling Class,
Here are some more activities. Have lots of fun! I miss you all!
Mrs Dodge

Let's get moving - Put on some music - sing and dance!

Here are some of our favourites.

Incy Wincy Spider

https://www.youtube.com/watch?v=w_ICi8U49mY

1, 2, 3, 4, 5 Once I caught a fish alive

<https://www.youtube.com/watch?v=thTysPVvSSQ>

Have a dance to this dinosaur song – remember to stomp, stomp and chomp, chomp!!!
