Maths - Number - Counting - Numeral recognition

Let's do some counting!

Watch the Numberblock songs - <https://www.bbc.co.uk/iplayer/group/b08bzfhn>

Get an adult, brother or sister to write out numbers 1-10 on some scrap bits of paper.

Now get ready to move!

Adult - hold up a number card and say number -

If your child recognises the number fantastic!

Adult - (chooses an action) Can you do 5 star jumps?

Child and adult to count as the child does the jumps to help reinforce accurate counting.

Try these actions –

Claps Patting head Touching toes Sit down/stand up Star jumps

Drawing circles/square/smiley faces Jumps Touch shoulders Hugging mum/dad

Literacy - Phonics - Some phonic songs

The Jolly Phonic Songs that you know

A new phonic song - remember to do the actions!

Literacy - Communication - Literacy - who, what, where, when, how

Think of a journey you have been on - to the beach, to the shops,
to see nanny or granny.

Can you tell someone what you can remember about it? Who did you go with? How did you travel? Who went with you? What did you see? When did you go?

Keep writing your name so you can show me when we are back at school!
