Can you remember the action we use for each letter sound?

Literacy - Can you make a card for someone you love?

Fold a piece of paper in half to make a card.

Draw a lovely picture on the front. Can you make it colourful?

Who could you give the card to?

Maybe you could give it to Mummy or Daddy. Maybe it could be for Nanny, Granny or Grandad to say you miss them. How about making a card for your brother or sister. Everyone loves getting a card.

Now inside you need to say who it is from.

You need to write your name. Write each letter clearly.

Let's get moving with some action stories - join in with all the actions!
