

Hello Fledgling Class,
I hope you are all well and enjoying some of these activities.
Keep smiling. I miss you all.

Maths - Positional Language

Can we use these words to describe where we put a toy - **under**, **behind**, **in**, **next to**, **in front**, **on top**.

The teddy is **next to** his friend. The teddy is **in** the box.

The teddy is **on** the sofa.

Hide your toy and then describe where it is.

Phonics - Let's listen to those Jolly Phonic letter sounds and songs again. Remember to do the action for each one.

Literacy - communication

Play the 'I am thinking of' game with your family.

Think of an animal.

Think what it looks like. Describe the animal to your family but don't say what it is they need to guess. Take turns to describe an animal.

I am thinking of an animal.....

It has four legs.

It is big.

It is grey.

It has a long trunk.

What is it?

I am thinking of an animal.....

It has four legs.

It is green.

It has sharp teeth.

It is scaly.

What is it?

Time to get moving and dance - all our favourites this week!
