

WE ARE SETTING UP

GOOGLE CLASSROOM

where your children can access good quality remote learning and activity ideas.

There will still be work and activities on our school website.

TO ACCESS YOUR CHILD'S GOOGLE CLASSROOM, THEY WILL NEED TO USE THEIR SCHOOL EMAIL ADDRESS.

Some may know this already but some may not.

If you have not been given an email previously then follow the steps below.

- The email will consist of initials and date of birth.
- It will end with **@ttlearner.org.uk**
- The password is **ttal2345**
- So for example Stephen Baker born on 23rd March would be

SB2303@ttlearner.org.uk.

THANK YOU & KEEP SAFE
