

# MYON READER

The Leigh Academies Trust is implementing myON, an online reading resource with hundreds of fiction and non-fiction texts. All pupils in Years R - 6 have now been set up with an account. Teachers will be directing pupils to use this through the Google Classrooms we have. Pupils can begin using the system now and use it as often as they wish. Teachers are learning the system as they go and we will share any information as we get to know it better.

The Teachers will put a link on your Google Classrooms for you to access it.

To access MYON reader you will need a username and password.

Your username will follow these rules:

first name.surname.ttpa

(don't forget the full stops)

Your password is

tta12345
