

Newsletter - Term 1

Who we are

Learning in Nightingale Class

Central Idea

Past inventions and experiences can still have an impact on society today.

Action

We will use the knowledge gained to ensure they do not repeat the mistakes of the past and instead build on the good things.

Children's questions

- How has medicine changed since the Victorian Era?
- Who is Queen Victoria?
- How have toilets and other hygiene measures developed?
- What modern day inventions were invented during the Victorian Era?
- How did people deal with pandemics in the past- Spanish Flu & Cholera?
- What was it like to be alive during the Victorian Era?

Key Concepts

Causation- Why is it like it is?
Changing - How is it changing?

Homework

<p>Task 1 Week beginning: 07/09/20</p>	<p>Tell me about yourself. You could draw yourself, create a character profile of yourself, write a few paragraphs to tell me about you, create a table of likes and dislikes, make a PowerPoint presentation, create a mood board or show me about yourself in a different way of your choosing.</p>
<p>Task 2 Week beginning: 14/09/20</p>	<p>Who was Queen Victoria? Produce a piece of work to explain who Queen Victoria was. Think about how you told me about yourself last week and use this to help you explain about Queen Victoria.</p>
<p>Task 3 Week beginning: 21/09/20</p>	<p>What is your favourite invention from the Victorian period and why? Which inventions were most useful? Which were least useful? Which inventions do we still use today?</p>
<p>Task 4 Week beginning: 28/09/20</p>	<p>Describe a day in the life of a Victorian child. Think about the similarities and differences with your life today. Would you rather have been a Victorian child or a modern day child? You could write a diary entry or present your work in a different way of your choosing.</p>
<p>Task 5 Week beginning: 5/10/20</p>	<p>How has medicine changed since the Victorian period? Is this for the better? Imagine you are a Victorian doctor and tell me about the patients that you have treated. What remedies did you recommend? Did they work?</p>
<p>Task 6 Week beginning: 12/10/20</p>	<p>Create a presentation to show what you have learned about the Victorians. You can include all of your previous homework in this presentation and can present it in a way of your choosing (e.g. written document, PowerPoint presentation, scrapbook, art project etc.) Due in on 23/12/20.</p>
