

# Newsletter - Term 1

## How we express ourselves

### Learning in Woodpecker Class

#### Central Idea

*The world around us is unique and there may be significant differences in different areas.*

#### Action

Advocacy- action to support social/political/environmental change.

#### Children's questions

What is the largest island?  
How many islands are there?  
Do people live on islands other than ours?  
What animals live there?

#### Key Concepts

Form- What is it like?  
Responsibility- What is our responsibility?  
Causation- Why is it like this?
