From TUESDAY 14th January, Fusion Maidstone will be holding a 3 weekly drop-in session with Kent Police.

They will be available to speak to you regarding any concerns you have within the community and help identify concerns that affect Park Wood.

They are able to share crime prevention information including how to prevent identity theft, spotting and reporting suspicious activity and protecting property.

They are also able to offer advice on conflict resolution in handling disputes and identifying areas for negotiation and communication to prevent people from resorting to taking matters into their own hands.

Come along and meet them, tell them what matters regarding policing and our community they are here to help and make Park Wood a better place for all.
