Dear Parents/Carers

Returning to school times and dates

This letter clarifies the timing and dates for starting back at school in September 2020 at Tree Tops. These timings and additional details regarding safety measures, lunches and what the children need to bring etc. can be found in my **previous letter** sent in July.

[\(https://treetopsprimaryacademy.org.uk/september-opening-details/\)](https://treetopsprimaryacademy.org.uk/september-opening-details/)

Please note that attendance is now compulsory.

You will see that there is a different start time just on the first day back for most children. As we were not able to carry out our usual transition activities last term, children will not be as prepared as normal for their first day in their new class. For this reason, we are staggering the times that children start back on 3rd September. Children will come into school at the time given and will be asked to go straight to their key stage hall where Miss White and Mr Bishop will carry out an assembly for their bubble. They will be given all of the information they need about how the school is organised now, they meet their new teachers and then they will be accompanied to their new classrooms.

We are sorry for the inconvenience that this may cause you, but I am sure you will understand that this will be of great benefit to the children and make their first day back far less stressful.
