## Message from Miss White

Dear Parents

We have had a really great week at Tree Tops. The weather has been beautiful too so we have been able to do lots of outdoor learning in our fantastic outdoor areas. The children may have mentioned that they have been doing assessments this week. We are so proud of how hard they have worked. The assessments are for the teachers to see how much progress the children have made over the last few months. We know that there will be some areas that we will need to teach again to help them to catch up and the assessments will give teachers the information that they need to plan the learning that each child needs.

Have a lovely weekend everyone. enjoy the sunshine!

## Reading

This week your child/children will be bringing home our brand new Mr Men bookmarks. These fantastic characters are our reading project focus this year. Each bookmark has space for details of 10 books of their choice that your child should read. Once completed the children can trade their completed bookmark for a certificate and badge. There are 10 certificates and badges to collect and we'd love to see all the badges worn with pride on your child's uniform this year. We hope you will get involved and help your child to read books to earn their rewards.
