## IB Learners

Children at Tree Tops learn through the Primary Years Programme (PYP). The programme promotes the following Learner Profile attributes; caring, communicator, Inquirers, knowledgeable, open-minded, principled, reflective, risk-taker, thinker, balanced. Children are rewarded by way of silver and gold coins when demonstrating IB attributes.

## Keeping our school community safe

It has been noticed and reported that many adults are not wearing face coverings, when dropping off/picking up children. We have many vulnerable students, staff and carers and the lack of adults choosing not to wear coverings is increasing their anxiety due to their vulnerability. Whilst we appreciate that some adults are exempt, there are many who are choosing not wear face coverings. We are working hard to ensure that Tree Tops Primary Academy remains a safe place for everyone and are striving to do all we can to enable us to remain open and able to deliver education to our students whilst keeping everyone safe. We are therefore reminding you that, unless medically exempt, we require face coverings to be worn at all times when visiting the school. Please can we also ask that you do not obstruct people's driveways when dropping/collecting your child(ren) from school. If you are parking your car, please do so legally. We take pride in our relationships with the school's neighbours and would like this to continue. Thank you for your co-operation

## Woodpecker Class Fundraiser

Woodpecker class held a fundraiser to adopt an animal from WWF. They had such a fun day with lots of different activities. Their chosen animal was a JAGUAR! We are looking forward to receiving lots of information and the class cuddly toy from WWF
